

NEWPORT ON THE LEVEE

2019 HOLIDAY PERFORMANCE OPPORTUNITIES

Brimming with delightful and exceptional experiences, Newport on the Levee once again will become an iconic, community-driven destination for the Tri-State this holiday. The 2019 season kicks off with great fanfare, when thousands upon thousands gather at the 11th Annual Light Up the Levee on Saturday, November 23 for a night not to forget, starting with special activities for children and families before Santa's grand helicopter arrival, the season's first snowfall, our grand 50-foot tree lighting, fireworks and many more surprises—including a new afterparty with live music, drinks, food and more!

Throughout November and December, The Levee will continue to serve as a one-stop holiday extravaganza for families, kids and adults alike, as the Levee transforms into its own village, complete with shops, eateries, entertainment and holiday fun, including an award-winning Santa's House experience. The region's newest favorite holiday destination, Newport on the Levee, will fuse the magic of the Greater Cincinnati Community with thrilling entertainment, activities and unending fun.
